OMB No. 2577-0226  $(\exp. 05/31/2006)$ 

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

#### Criteria for Substantial Deviation and Significant Amendments

#### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **Substantial Deviation from the 5-year Plan:**

✓ Any change to Mission Statement such as:
 50% deletion from or addition to the goals and objectives as a whole.
 50% or more decrease in the quantifiable measurement of any individual goal or objective

#### **Significant Amendment or Modification to the Annual Plan:**

- ✓ 50% variance in the funds projected in the Capital Fund Program Annual Statement
- ✓ Any increase or decrease over 50% in the funds projected in the Financial Resource Statement and/or the Capital Fund Program Annual Statement
- ✓ Any change in a policy or procedure that requires a regulatory 30-day posting
- ✓ Any submission to HUD that requires a separate notification to residents, such as HOPE VI, Public Housing Conversion, Demolition/Disposition, Designated Housing or Homeownership Programs
- ✓ Any change inconsistent with the local, approved Consolidated Plan

# <u>6. Supporting Documents Available for Review for Streamlined Annual PHA Plans</u>

PHAs are to indicate which documents are available for public review by placing a mark in the "Applicable & On Display" column in the appropriate rows. All listed documents must be on display if applicable to the program activities conducted by the PHA.

### Attachment C: Capital Fund Leveraging

The Pineland Housing Authority is planning to leverage future Capital Funds for total and complete renovation of Knighting Street utilizing the Fannie Mae Modernization Express Program. The estimated gross amount to be borrowed is \$615,000.00 minus fees & Cap Interest, plus reserve deposit in the amount of \$47,402.00. The estimated interest rate of the loan as of mid September 2005 is 4.65%. The loan would be over a 20 year period with an estimated annual debt service payment of \$47,402.00 with all of the variables mentioned above. We have estimated the debt service payment in the PHA plan tables to project for assumingly higher interest rates.
